Halftimes Volleyball Rules

REMEMBER THIS LEAGUE IS FOR FUN SO LET'S MAKE IT FUN FOR EVERYONE!!

OVERVIEW

- Teams will play the 3 games to 21 with a cap of 25 rally scoring.
- Serves that hit the net and go over the net to the opponents side will be "live"
- Setting the serve is legal
- Open hand tipping or "dinking" is legal
- Roster sheets must be turned in before the season begins

MINIMUM REQUIREMENTS

- Must be 21 or older
- Six player teams must have at least four players (minimum two females) on the court at all times and a maximum of three men.
- Teams not able to field a "full" team, or the minimum number of players, may play with the consent of the opposing captain and/or league staff members.
- Teams have until ten minutes past the designated start time to field a full squad. If at that time one team is unable to field a full team (minimum number of players required according to the rules), it will result in a forfeit of the first game. If they are still unable to field a full team by 15 minutes after the designated start time it will result in a Match forfeit. During the regular season, a team may play a legal game with less than the required number of players if the opposing team consents.

RULES

- In 6's there must be 3 front row and 3 back row players. If a team is playing with less than 6 players, the server is always considered back row.
- No back row players may attack in the front row (meaning in front of the 10' line).
- There is a "girl" rule. If the ball is touched more than twice on one side, a girl must play the ball at least once.
- The ball can contact any number of body parts down to and including the foot.
- Any first ball contact is legal.
- The ball must be contacted cleanly and not held, lifted, pushed, caught, carried or thrown. The ball cannot roll or come to rest on any part of a player's body.
- A player is not allowed to attack the ball on the opposite side of the net.
- Blocking or attacking a serve is not allowed.
- No part of the body may touch the net at anytime unless a ball or person driven into the net causes the contact.
- Contact with the hair or part of the uniform will not be considered a fault.
- Beach volleyball allows any and all parts of the body to cross the center line as long as there is no interference with the opposing player.
